

Interested in joining the Ford Volunteer Corps COVID-19 relief efforts? Employees with an active CDSID should download and send the completed form to volunteer@ford.com. Our team will be in touch with potential opportunities.

1. Name:
2. Email:
3. Residence (City, State):
4. Are you interested in donating household goods or nonperishable food? If so, please describe (Nonprofits are looking for anything from infant care such as formula and diapers to canned goods and antibacterial wipes):

5. Are you interested in volunteering? What types of days, hours and how far from home can you travel?

6. Skill based volunteering: do you have a specific skill set such as health services, tax relief, data entry, etc.

7. We want to hear from you! Have a project idea? Heard from a nonprofit you regularly volunteer for a potential need? Please describe in more detail:

Note: Employees interested in volunteering should exercise caution and adhere to local health and safety guidelines. For Michigan, this includes [Michigan's "Stay Home, Stay Safe" Executive Order](#). Details about what volunteering and other activities are permitted under the Michigan Executive Order can be found [here](#).

Ford Motor Company Fund is compiling a list of nonprofit partners seeking assistance and virtual volunteering is encouraged. Ford Fund is exploring options with nonprofits organizations fordfund.org/covid19.
